

Accredited Surety and Casualty Company, Inc.

Western Trade-Craft Insurance Program

Program Guidelines and Underwriting Guidelines

This document specifies the Underwriting Guidelines ("Guidelines") for the Western Trade-Craft Program ("Program"). The Guidelines specify the characteristics of the targeted business market within the contracting industry. The Guidelines provide the Program eligibility for risks included within the Program. Business falling outside eligibility characteristics may be included with prior written acceptance from the company.

POLICY AND OTHER FEES

All policy fees are earned pro-rata and must be remitted by Program Agent with the annual/deposit payment. They are in addition to minimum premiums.

Policy Fee: \$175

Inspection Fee: \$75

NSF Fee: \$25

Reinstatement Fee: \$25

The following fees also apply if installment billing is provided.

Per Installment Fee: \$7

Late Fee: \$25

Reinstatement Fee: \$25
